>>> The office had a call from a business owner who owns a business by Bradley / Paxton. His business is called Classic Distributing (11353 Bradley Ave, Pacoima, CA 91331). When CARE / CARE+ conducts its services the showers always park in front of his business. May we please have them station themselves on Paxton by Bradley so we may avoid aggravating him. Lastly, the trash cans by his business were not collected. I know CARE is going on Monday to service the area again. May they please pick them up when they are there.
